## PERSONAL STATEMENT

I am an innovative, forward-thinking individual who recognises the importance of establishing and maintaining positive relationships with clients. I am also an experienced leader who sets clear and realistic boundaries.

## CAREER ACHIEVEMENTS

I'm the founder and director of Creative Hut Studio. I have Expanded my business worldwide a few years back and now dealing with clients all over the world.

I have over 1500 Satisfied International Clients. My Client base is huge and worked for Publishing, Fashion, Fitness, Music, Advertising Industries, Real Estate Companies, Including Enterprise and Big Business holders like Nike, Xiaomi, Adidas, LG, Huawei.

I have been working as an independent artist for more than a decade. Throughout my Online marketplace journey I worked on various Stock Marketplace like Freepik, Vecteezy, pngtree Shutterstock,

I am also working as a Top Rated Plus Artist on Upwork (among Top 3% in upwork).

## MARKETPLACES
